

**This is the Water Quality Certifications Information Page of the Central Valley Regional Water Quality Control Board. If you need further information on any of the following pending certification applications please contact the assigned staff person.**

County Name	Applicant:	Project	Comment Deadline	Contact Person
-------------	------------	---------	------------------	----------------

**CONTRA COSTA**

Jerry Snow, California Department of Water Resources. 1416 9th Street, Sacramento, CA 95814. Phone Number: 916.653.7213. Email: glsnow@water.ca.gov	5B07CR00168A1 , Houston Canal and West Canal Erosion Repair and Road Grading Project	Friday, January 13, 2017	Staff Name: Tadlock, Stephanie; Phone: 916.464.4644; Sacramento
---	--	--------------------------	---

Project Description:

Amendment requested for an increase in impacts.

Mike Carlson, Contra Costa County Flood Control. 255 Glacier Drive. Martinez, CA 94553. Phone Number: 925.313.2000. Email: mike.carlson@pw.cccounty.us	5B07CR00187 , Three Creeks Parkway Restoration Project	Friday, January 06, 2017	Staff Name: Minkel, Peter; Phone: 916.464.4684; Sacramento
--	--	--------------------------	--

Project Description:

The project is a multi-benefit flood control and creek restoration project. It proposes to improve flood conveyance capacity and restore ecological function along an approximately 4,000 linear feet section of Marsh Creek located in Brentwood, California by widening the channel with a floodplain bench and planting with native vegetation.

**NEVADA**

Timothy Crough, Nevada Irrigation District. 1036 West Main Street. Grass Valley, CA 95945. Phone Number: 530.271.6826. Email: Crough@nidwater.com	5A29CR00104 , Bear River Sediment Removal Project	Friday, January 06, 2017	Staff Name: Tadlock, Stephanie; Phone: 916.464.4644; Sacramento
---	---	--------------------------	---

Project Description:

The proposed project would occur annually from April 1 to November 15 with sediment removal activities concentrated during the period of lowest water levels (typically 60-120 days of the year in summer or fall).

**PLACER**

County Name	Applicant:	Project	Comment Deadline	Contact Person
PLACER	Chris Poncin, Petrovich Development. 825 K Street. Sacramento, CA 95814. Phone Number: 916-442-4600. Email: chris@petrovichdevelopment.com	5A31CR00455 , Sierra College Boulevard and Interstate 80 Development Project	Friday, January 13, 2017	Staff Name: Warner, Daniel; Phone: 530-224-4848; Sacramento
	<u>Project Description:</u>			
	The proposed project is to develop a home improvement store and restaurant to serve the growing population of the City of Rocklin.			
	James Mangold, Pacific Gas and Electric Company. 2730 Gateway Oaks Drive, Sacramento, CA 95833	5A31CR00454 , Halsey Afterbay Trash Rack Safety Improvement Project	Friday, January 13, 2017	Staff Name: Warner, Daniel; Phone: 530.224.4848; Sacramento
	<u>Project Description:</u>			
	Replace existing trash rack, (debris grating), with new, improved version.			
	Jeff Jones, Westpark Communities. 1420 Rocky Ridge Drive, Suite 265. Roseville, CA 95661.	5A31CR00453 , Fiddymont Ranch Project	Friday, January 06, 2017	Staff Name: Tadlock, Stephanie; Phone: 916.464.4644; Sacramento
	<u>Project Description:</u>			
	The project is one component of the West Roseville Specific Plan (WRSP). The original design of the Fiddymont Ranch portion of the WRSP included plans to construct swales to convey surface water flow from the planned development area and discharge it to drainages in the adjacent Fiddymont Preserve areas.			
	Paul Eblen, Silverado Hidden Hills, LLC. 3400 Douglas Boulevard. Suite 270. Roseville, CA 95661. Phone #: 916.220.7803. Email: peblen@silveradohomes.com	5A31CR00451 , Hidden Hills Phase 1	Friday, December 30, 2016	Staff Name: Warner, Daniel; Phone: 530.224.4848; Sacramento
	<u>Project Description:</u>			
	The proposed project will provide residential units near the City of Lincoln. Infrastructure to be developed for the residential community will include paved streets, underground utilities, and other associated improvements.			

County Name	Applicant:	Project	Comment Deadline	Contact Person
-------------	------------	---------	------------------	----------------

PLACER

Wayne Lewis, California Department of Transportation. 703 B Street, Marysville, CA 95901. Phone Number: 530.741.4461. Email: wayne.lewis@dot.ca.gov	5A31CR00452 , Interstate 80 and State Route 65 Interchange Project - Phase 1	Friday, January 06, 2017	Staff Name: Minkel, Peter; Phone: 916.464.4684; Sacramento
---	--	--------------------------	--

Project Description:

The project will widen northbound SR 65 from the viaduct to the Pleasant Grove Blvd off-ramp and widen and modify ramps at the Galleria Blvd/Stanford Ranch Rd/SR 65 interchange.

PLUMAS

Plumas County Department of Public Works Robert A. Perreault 1834 East Main Street Quincy, CA 95971	5A32CR00163 Snake Lake Road Bridge Replacement Project	Friday, January 06, 2017	Staff Name: Zaitz, Scott A.; Phone: 530.224.4784; Redding
---	--	--------------------------	---

Project Description:

Bridge replacement project involving replacement of existing bridge, a temporary detour bridge, road improvements, and temporary staging areas.

SACRAMENTO

Cara Allen, Department of Parks and Recreation. 7806 Folsom-Auburn Road. Folsom, CA 95630. Phone Number: 916.988.6317. Email: cara.allen@parks.ca.gov	5A34CR00680 , Negro Bar Culvert Repair Project	Friday, January 13, 2017	Staff Name: Warner, Daniel; Phone: 530.224.4848; Sacramento
---	--	--------------------------	---

Project Description:

Project will repair a 72-inch steel culvert within Hinkle Creek underneath one segment of the paved bike path/service road at the Negro Bar Recreation Area within Folsom Lake State Recreation Area.

SHASTA

U.S. Bureau of Reclamation, John Hannon, 801 I Street, Suite 140, Sacramento, CA 95814-2536	5A45CR00486, Upper Sacramento River Anadromous Fish Habitat Restoration Project	Friday, December 30, 2016	Staff Name: Guy, Chetelat; Phone: 530-224-4997; Redding
---	---	---------------------------	---

Project Description:

The proposed project includes reconnecting a currently non-functional historic side channel off the main Sacramento River channel. The upstream 200ft would require excavating 2900 CY of river sedimentation to open the upstream connection to Sac river. Additionally, 2 existing culverts will be removed and replaced with a bridge requiring the removal of 2500 CY of road/levee fill. Excavated material will be placed along toe of west side of Levee Rd. Once bridge completed, 80 CY of well graded, angular rock would be placed along bridge abutments. 200 ft below bridge will be reshaped, lowering the inner, left bank to create periodically inundated floodplain habitat.

YOLO

The following are pending as of: Friday, December 23, 2016 11:40:17 AM

County Name	Applicant:	Project	Comment Deadline	Contact Person
YOLO	Dominic Bruno, Bypass Farms. 14130 County Road 117, West Sacramento, CA 95691. Phone number: 916.257.8023. Email:bypassfarms@gmail.com	5A57CR00148 , Bypass Farms Pipeline Replacement Project	Friday, January 06, 2017	Staff Name: Minkel, Peter; Phone: 916.464.4684; Sacramento
<u>Project Description:</u>				
Replace 220 linear feet of pipeline and remove/replace a portion of pump platform and pilings.
