

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
COLORADO RIVER BASIN REGION

ORDER NO. 78-95

WASTE DISCHARGE REQUIREMENTS
FOR
COLORADO RIVER COMPANY - LAUNDRY AND MARKET
Southwest of Earp - San Bernardino County

The California Regional Water Quality Control Board, Colorado River Basin Region, finds that:

1. Colorado River Company (hereinafter also referred to as the discharger), 123 North Lake Avenue, Pasadena, California 91101, submitted updated information on August 15, 1978 on the discharge of wastes.
2. The discharger is discharging a maximum of 4,500 gallons-per-day of wastewater from a laundry and food market restrooms by means of subsurface disposal facilities consisting of a septic tank, lint trap and leach lines located in the NE 1/4 of the SE 1/4 of Section 32, T1N, R25E, SBB&M.
3. The discharger has reserved an area of sufficient size for 100% replacement of the leach fields. This area is designated on Attachment "A" incorporated herein and made a part of this Order.
4. The discharge from this laundry and market has been subject to waste discharge requirements adopted in Board Order No. 72-5.
5. The Water Quality Control Plan for the East Colorado River Basin was adopted by the Board on April 10, 1975. The Basin Plan contains water quality objectives for the Colorado Hydrologic Unit.
6. The beneficial uses of the groundwaters of the Colorado Hydrologic Unit in the vicinity of the discharge are:
 - a. Domestic supply
 - b. Agricultural supply
7. The Board has notified the discharger and interested agencies and persons of its intent to update waste discharge requirements for the discharge.

8. The Board in a public meeting heard and considered all comments pertaining to the discharge.
9. This complex constitutes an ongoing project in accordance with provisions of the California Environmental Quality Act (Public Resources Code Section 21000 et seq.) and the State Guidelines because the governmental approvals on or after April 5, 1973, do not involve a greater degree of responsibility or control over such activity than the governmental approvals received prior to that date.

IT IS HEREBY ORDERED, the discharger shall comply with the following:

A. Discharge Specifications

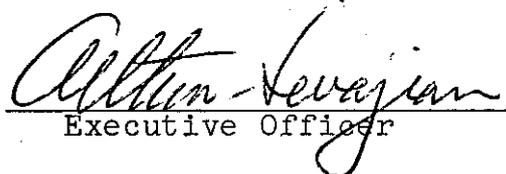

1. Neither the treatment nor the discharge of wastewater shall create a pollution or a nuisance as defined in Division 7 of the California Water Code.
2. No wastewater other than domestic sewage shall be discharged at this location.
3. Wastewater discharged subsurface shall be retained underground with no surfacing.
4. There shall be no discharge of sewage within 200 feet of any domestic water well or within 200 feet laterally from the regulated high-water line of the Colorado River.
5. Adequate measures shall be taken to assure that flood or surface drainage waters do not erode or otherwise render portions of the discharge facilities inoperable.
6. Septic tank cleanings shall be discharged only by a duly authorized service.

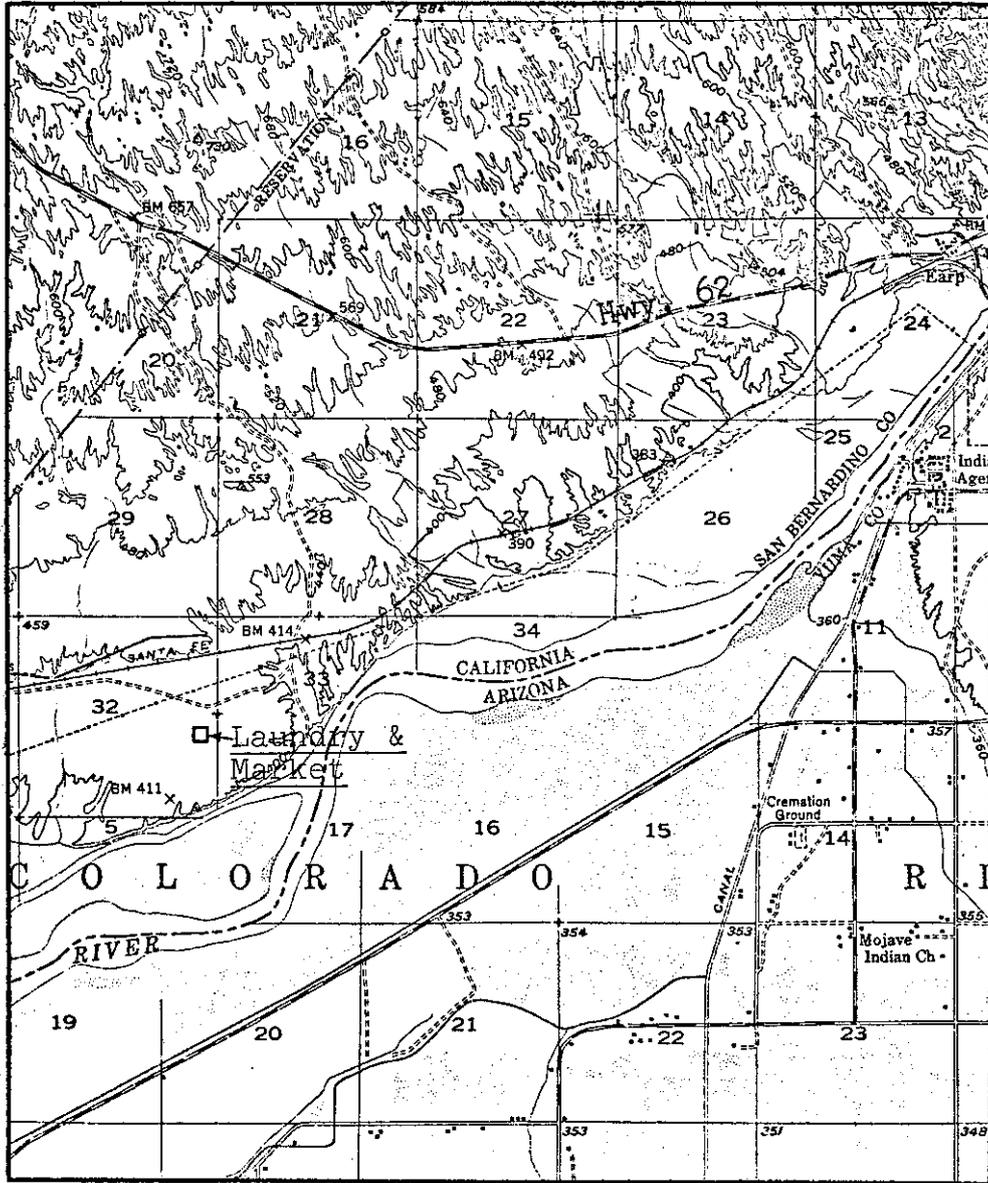

B. Provisions

1. The area reserved for 100% replacement of the leach fields, as shown on Attachment "A", shall at all times be retained servient to this laundry and market, for the purpose of providing additional subsurface sewage disposal capacity, until such time as this complex is connected to a municipal sewerage system.
2. Upon request from this Board's Executive Officer, the discharger shall furnish technical and/or monitoring reports on the treatment and discharge of waste.

3. Prior to any modifications in this facility which would result in material change in the quality or quantity of wastewater discharged, or any material change in location of discharge, the discharger shall report in writing to the Regional Board.
4. Prior to any change of ownership of this laundry and market, the discharger shall:
 - a. Specify as a condition of transfer that said sewage disposal areas must remain servient to the complex, for the purpose of providing sub-surface sewage disposal capacity, until such time as this complex is connected to a municipal sewerage system.
 - b. Notify the succeeding owner, in writing, of the existence of this Order, and forward a copy of said correspondence to the Regional Board.
5. This Order supersedes Board Order No. 72-5.

I, Arthur Swajian, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Colorado River Basin Region, on November 15, 1978.
