

3. The suspended portion of the proposed ACL penalty of \$129,000 that is hereby directed to be expended on this phase of the SEP may not exceed \$72,000. The Discharger shall pay within thirty (30) days of the date of this Order the remaining portion of \$57,000. Payment by check of this amount shall be made payable to the "State Water Pollution Cleanup and Abatement Account" and mailed to the address shown in paragraph 7 below.
4. If the Discharger completes this phase of the SEP to the satisfaction of the Executive Officer by the approved date, the corresponding portion of the ACL indicated in Attachment "C" for this phase of the SEP shall be permanently suspended. Similarly, if the Discharger fails to complete this phase of the SEP to the satisfaction of the Executive Officer by the approved date, and the Executive Officer has not approved an extension in the completion date, the corresponding portion of the ACL shall become due and payable by the Discharger within 30 days of being so informed in writing by the Executive Officer.
5. Previously suspended amounts do not relieve the discharger of the independent obligation to take necessary actions to achieve compliance.
6. Completion of this phase of the SEP shall be certified in writing by the Executive Officer. No portion of the ACL shall be suspended without a written certification issued by the Executive Officer.
7. The Discharger shall submit all unsuspended ACL amounts, made payable to the "State Water Pollution Cleanup and Abatement Account", to the following address:
