

Update on New Statewide NPDES Permit for Drinking Water System Discharges

Dear Water Purveyors and Interested Parties:

State Water Board staff will be conducting numerous outreach events throughout the state to assist water purveyors in understanding the permit requirements, how to fill out an application package for their discharges, or whether a Notice of Non-Applicability is appropriate for their system.

The following outreach implementation workshops have been scheduled in which Water Board staff will be presenting:

1) Vacaville, Solano Irrigation District – **February 24, 2015: 1PM – 3PM**

Who Should Attend: Local Community Water Systems Managers/Operators
