**Subject:** Comment Letter Salton Sea

Please help the Salton Sea. I have heard of what a great place it was from my 82 year old father who recalls swimming and fishing in it back in the day. I am a life resident of the Imperial County and remember fishing it in the 1990's. I'm now in my 40's and have to travel to Arizona to take my family to a nice lake for recreation. Not only that but I'm concerned of health issues due to the stank that the sea produces. I know it's to late for me to enjoy but I'm writing this letter in hopes that future generations of the Imperial County will get the chance to see the sea for what God meant it to be. Please don't look the other anymore.

Sincerely,  
Robert Gonzales  
(concerned Imperial County resident)
